

## **5 Strategies for Team leaders to ensure employees sense of belonging and engagement while reducing resignations**

Mrs. Hadas Hartal  
HR Director, Executive & Engagement Coach

Research indicates that employees are thinking of quitting their jobs recently, and resign, in Israel and worldwide.

We will discuss the root causes for "The Big Resignation" and for quitting consideration (especially in the tech world and services) and suggest a tool for managers to identify Employees Attrition Risk.

We will indicate how does the managerial approach affect the employee retention rate and improves the Employee Engagement and discuss 5 strategies to enhance employee engagement and reduce employee turnover.
