Volume 1

Workplace spirituality field is an emerging field of study and practice and this book asks the questions: Where have we been in the last ten years as a field and where should we be headed in the next ten years? The editors asked these questions of thought leaders from around the globe, leaders who represent different sectors, faith traditions, worldviews and organizational functions.

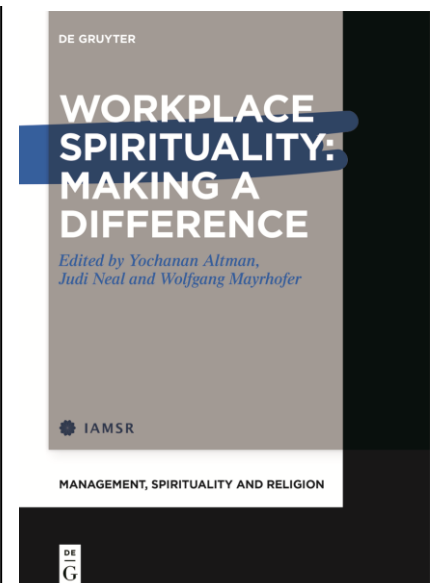

- Provides a broad overview of the field of workplace spirituality while focusing the details of emergent specializations.
- Provokes and expands workplace spirituality research agendas and methods.
- Resource to spiritually-inspired leaders.
